SEO · PERFORMANCE MARKETING · CONTENT STRATEGY · MARKETING AUTOMATION

PROFILE

Digital Marketing Analyst with hands-on experience across SEO, performance marketing, content strategy, website optimization and marketing automation in B2B cybersecurity, consumer and real estate businesses. An engineering background brings a structured, data-led approach to building search visibility, running paid campaigns and turning website visits into enquiries.

EXPERIENCE

Cytrusst

Mar 2025 – Present

Digital Marketing Analyst · *B2B cybersecurity*

- Run keyword research and on-page SEO; identify technical SEO issues and coordinate fixes with developers. Contribute to **SEO, AEO and GEO** initiatives.
- Contributed to the **website revamp and domain migration** from cytrusst.com to cytrusst.ai.
- Write website copy, blogs, whitepapers and search-focused content; align product messaging with target audiences.
- Integrated **HubSpot forms** for whitepaper downloads and demo requests, with contact fields and segmentation for follow-up.
- Design social media creatives and marketing assets in Figma and Canva.

Cutibless

Feb 2024 – Mar 2025

Digital Marketing Executive · *Consumer brand*

- Managed **Meta Ads** campaigns with budgets of approximately **₹80,000–₹1,00,000**, monitoring activity to guide improvements.
- Developed ad copy, promotional creatives, posters and testimonial-based video advertisements.
- Built SEO foundations through keyword research, on-page optimization and blog content.
- Managed social media content across channels.

Bookaprop Estates Pvt. Ltd.

Dec 2023 – Feb 2024

Digital Marketing Executive · *Real estate*

- Established SEO foundations for new real estate websites and projects.
- Conducted keyword research, implemented on-page SEO and published blogs aligned with property search intent.

PERSONAL PROJECTS

Sri Maha Plants

srimahaplants.in

- Built and marketed an aquatic plants store on WordPress using SEO and Meta Ads; generated **130+ plant orders** in one year.

Sri Maha Aquarium

srimahaaquarium.com

- Built a WordPress site focused on structure, search visibility and enquiries for aquarium and paludarium projects.
